Thorsten Soltau **brings:**

1 x Macbook
1 x Roland Duo-Capture Ex (external soundcard)
1 x Ableton Live Push

Thorsten Soltau **needs:**

connection to the venue audio mixer (2 x 6.35 mm (1/4 inch) audio plugs output into venue mixer; sound engineer should be present during performance)

stereo monitoring (if the performer is setup behind the venue-PA)

2 power connectors (compatible with german DIN-plugs / 220 volt power)

a small desk light (**no** other lights during the performance)

a table (110 x 70 cm) (please adjust height so the artist can sit during the concert)

Minimum 45 minutes for sound check.

Thorsten Soltau appreciates water, juice and non-alcoholic beer and a hot meal.
